POLIMOR

Coprisifoni. Siphon-covers.

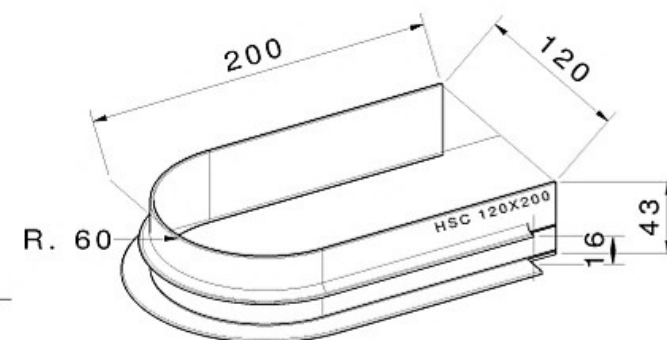

Polimor grazie alla collaborazione con aziende del settore, ha sviluppato un'ampia gamma di coprisifoni. Gli articoli sono monopezzo e di varie misure per coprire la vasta serie di cassetti di diverse dimensioni posizionati sotto il lavello del mobile da bagno. Facili da montare nella versione colorata in massa rifiniscono esteticamente l'interno del cassetto.

Polimor thanks to collaboration with companies of the sector, has developed a wide range of siphon covers. The items are one-piece and of various sizes to cover the vast series of drawers by different sizes positioned under the sink of the cabinet from the bathroom. Easy to assemble in the mass-coloured version they finish aesthetically the inside of the drawer.
