CORNICI e TELAI per SPECCHI
FRAME and SHASSIS for MIRRORS

UpGrade 03 - 2K24

POLIMOR

Telai per specchi.
Shassis for mirrors.

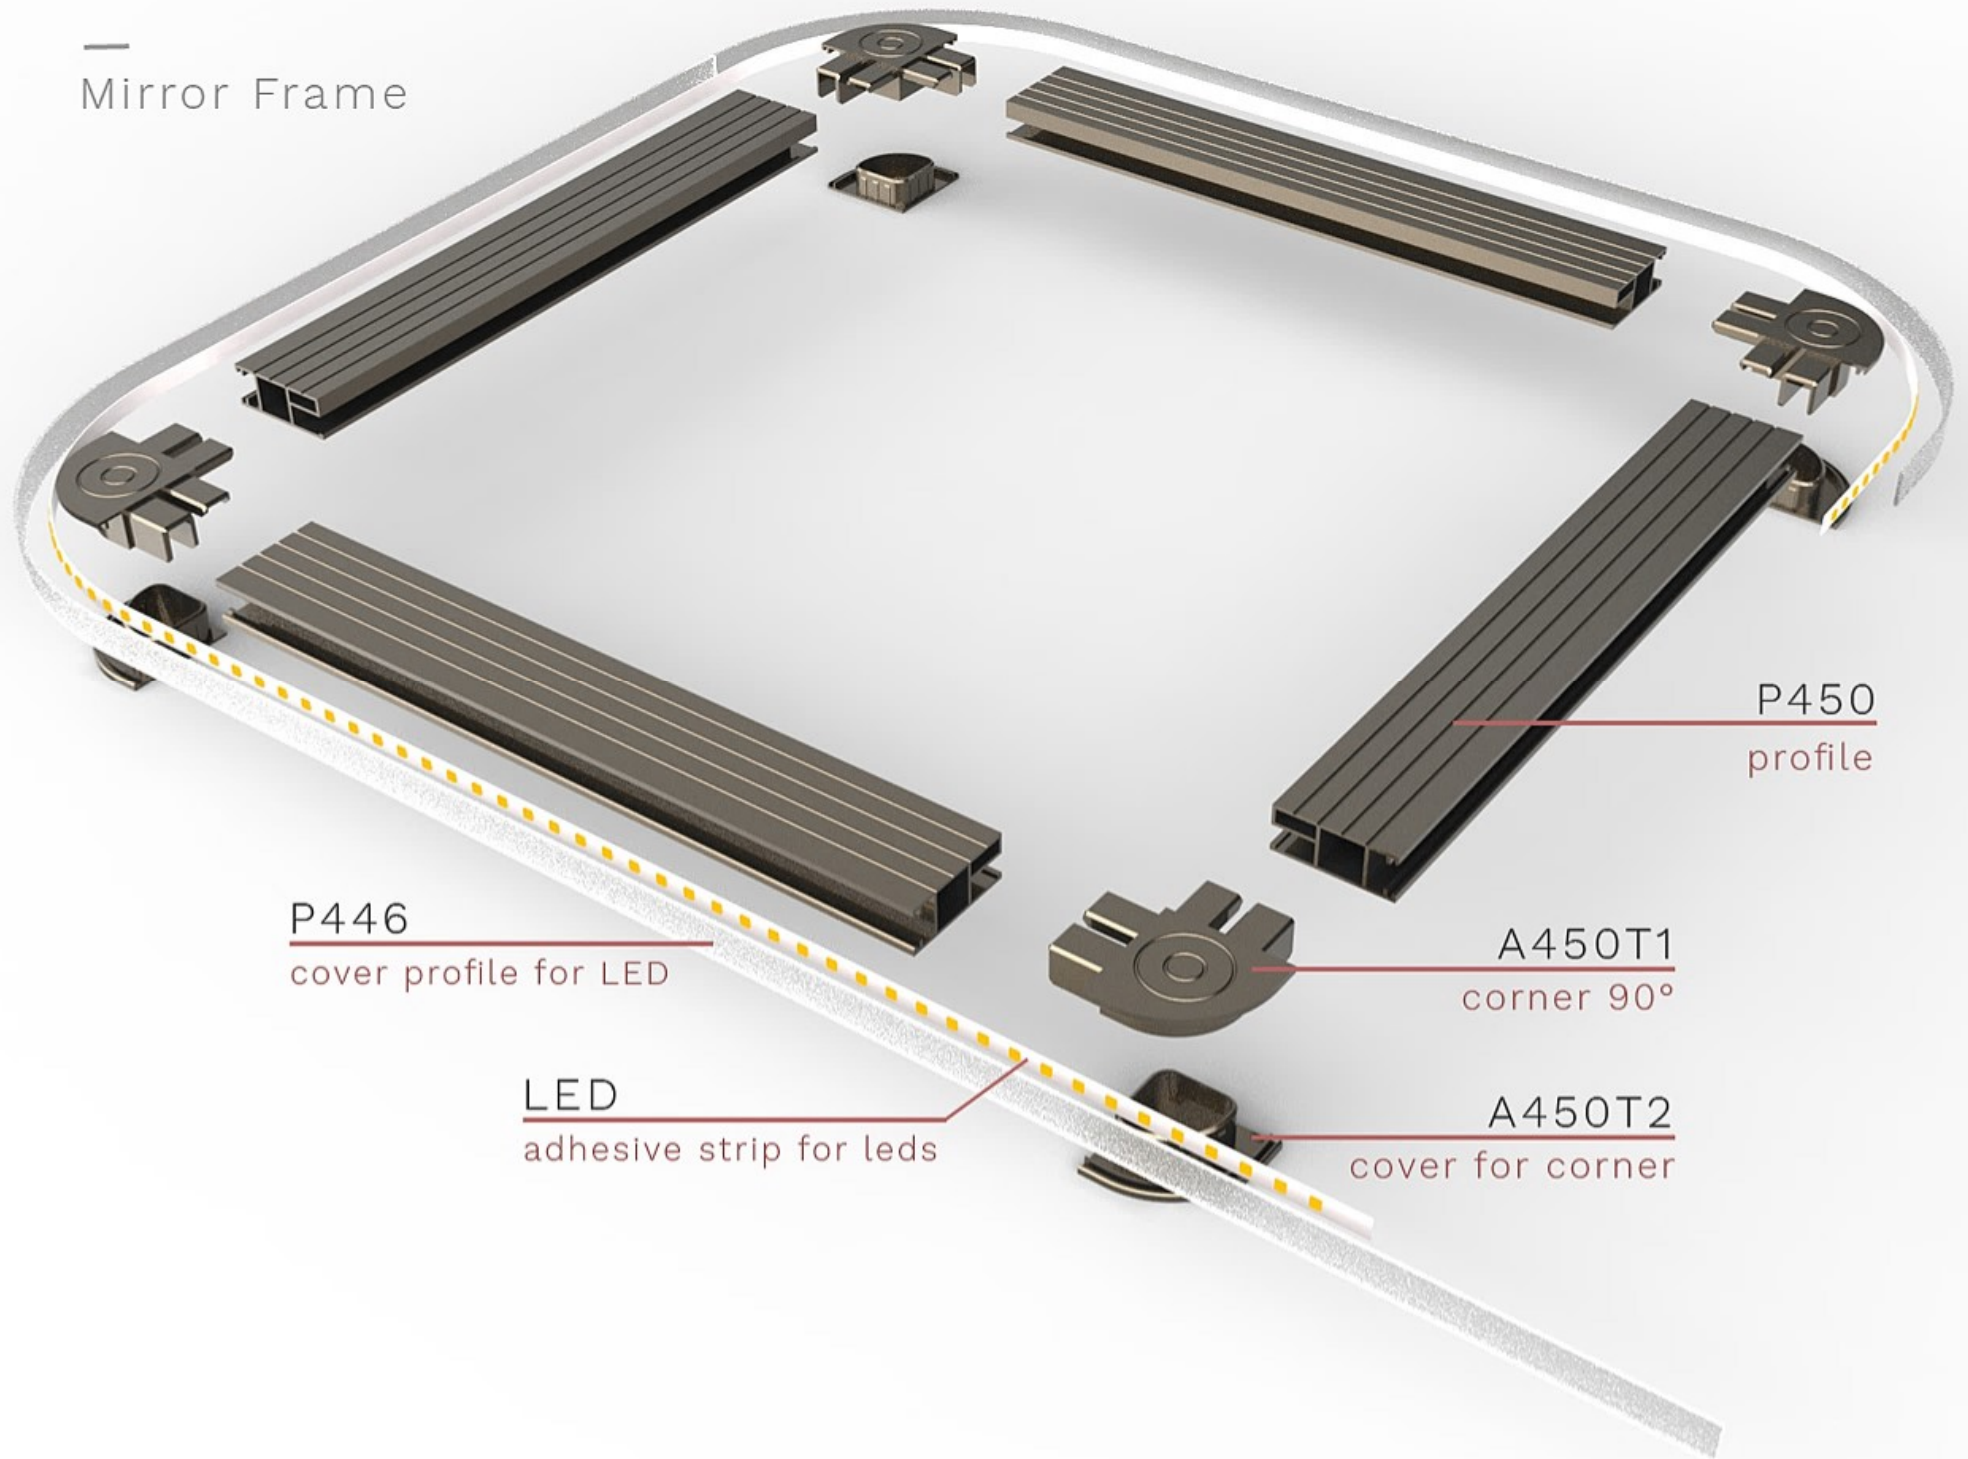

In risposta alle varie esigenze produttive la collezione di telai per specchi agevola e rende più veloci le fasi di montaggio degli specchi su telaio. Inoltre le strutture sono componibili in forme diverse

In response to various needs productive the collection of frames for mirrors makes it easier and faster the stages of assembly of the mirrors on the frame. Furthermore, the structures can be combined in different shapes.
